TRANSPORTATION

IF THE HOTEL IS LOCATED NEAR BOTH THE TRAIN STATION AND AIRPORT:

We will require transfers to and from the event venue, with timings coordinated according to the event schedule.

Please arrange an appropriate number of 9-seater vans, based on the final number of people, as well as one car for these transfers.

IF THE HOTEL IS NOT LOCATED NEAR BOTH THE TRAIN STATION AND AIRPORT:

We will require transfers from the airport or train station to the hotel, from the hotel to the event venue, from the event venue back to the hotel, and from the hotel to the airport or train station the following day.

The transfers should be organized according to individual arrival and departure times, which will be provided closer to the event date.

CATERING - MENU

CATERING

- We kindly ask that food and beverages be prepared and ready upon the band's arrival at the venue. We would also appreciate if the buffet could remain available until one hour after the band's performance concludes.

To ensure smooth and attentive service we request the presence of a dedicated waiter throughout the buffet service.

For the comfort and privacy of both our artists and your guests, we kindly suggest setting up the catering in the dressing room.

This arrangement will allow the band to dine discreetly when they are not performing, ensuring an enjoyable experience for everyone involved.

MENU

In order to accommodate individual dietary needs, preferences and any allergies, we kindly request the buffet to include vegan options.
